

Wall of Wishes

What

Wall of Wishes is part of our Kind Coins for Mexico campaign. After students raise funds to build a school and friendship center in Mexico, students take a photograph of themselves that incorporates a wish for their friends in Mexico. The photos will then be displayed on a Wall of Wishes in the new school and friendship center.

Who

All students are invited to participate in the Kind Coins for Mexico campaign. This may be a single student, one classroom, or the whole school. We ask each school to only submit one Wall of Wishes photo.

When

The photo may be taken during or after the Kind Coins for Mexico campaign. The photo will be permanently displayed in the new school and friendship center in Mexico which is scheduled for completion in August 2020. All photos are due by March 1, 2020.

Why

The children of our Mexico school and friendship center will love seeing the smiling faces of all the children who helped raise money to build their new school! This is a beautiful way to put into action one of the 50 kind acts: "Make a wish for a child in another country."

How

1. During or after the Kind Coins for Mexico campaign, decide on a wish for the children of our Mexican school and friendship center.
2. Write the wish in your desired format: painted banner, using markers, using computer-generated designs, etc.
3. Take a photo of the participating students with the wish incorporated into the picture. Yes, it's OK to Photoshop the wish after the photo has been taken!
4. Print the photo in any size up to 8" x 10.5". Write the name of your school on the back of the photograph.
6. Send a printed photo (hardcopy) along with the Kind Coins for Mexico donation check to: Kids for Peace, 1302 Pine Avenue, Carlsbad, CA 92008
7. Email a digital copy of your photo to info@greatkindnesschallenge.org.
8. Smile BIG knowing that you are changing lives!
