

2023 - 2024 Great Kindness Challenge

Partnership Opportunities

The **Great Kindness Challenge**

Kindness is a necessity, not just a nicety. It must be taught, practiced and remain intentional. Kindness stands as a potent remedy for many of the societal challenges we encounter today. Whether we're mitigating the detrimental impacts of the recent pandemic or tackling the widespread issue of loneliness and anxiety among our youth, cultivating a culture grounded in kindness, compassion, and interpersonal connections is more crucial than ever.

With our yearly, expansive, well-organized and immersive kindness week, we enhance students' social and emotional well-being while fostering avenues for meaningful connections. We are instilling hope and spreading joy throughout schools and communities.

Our Approach & Success

Who Are We?

We are a global youth empowerment organization.

Founded in 2006, we are a 501(c)3 nonprofit organization that is building a worldwide community of kind, compassionate and empowered young people.

We are the pioneer of kindness education in schools.

We introduced the very first structured kindness program to schools. In 2011, with bullying on the rise, we recognized a need to create safer and kinder schools. With students' input, the innovative idea of a challenge emerged, providing every single student an opportunity to co-create a culture of kindness at their school.

We have the credibility and trust of the education industry.

Through our steadfast commitment, contagious enthusiasm and consistency in providing valued resources, we have become a trusted source for educators worldwide.

Recognizing the importance and power of our program, The California Department of Education has officially endorsed The Great Kindness Challenge and has actively promoted it for the past five years.

We ignited a kindness movement that's 19 million students & 78,000+ adult volunteers strong.

Real change happens in movements. Our goal is to transform the world through kindness by bringing The Great Kindness Challenge to all 120K US schools and every country around the globe.

Partnership Examples

CORPORATE SUPPORT

Dignity Health's motto is "Human Kindness Heals". As a multi-year strategic partner and the presenting sponsor of the GKC, they provided financial support in exchange for unprecedented brand exposure, employee engagement and additional co-branded projects, showcasing to their stakeholders their commitment to fulfilling their mission. A true win-win!

CORPORATE MATCH

In 2018, more than 80,000 students raised funds to build playgrounds in hurricane affected communities. Hasbro, through its BE FEARLESS BE KIND philanthropic initiative, matched \$100,000 of the funds raised to ensure all playgrounds could become a reality. That's the way to walk the talk and affiliate your brand with pure grassroots goodness!

GIFTS IN KIND

KIND Snacks provided a KIND bar for every student who participated in our campaign to set a Guinness World Record for the most Kind-Hearted Handprints. We succeeded and 180,000+ students enjoyed the yummy KIND bars. What a great way to award kindness and create a kinder healthier world!

JOINT PROGRAMING

Together with the Toy Foundation, we launched a peer-to-peer giving program, The Great Toy Giveaway. Nearly 14k donated toys were lovingly distributed to kids in need at children's hospitals, homeless shelters, military bases, foster care facilities and more. That's how you play it forward!
